

[ THE SCHALLER ]  
STUDIO

**BOLD  
AND ABSTRACT  
CREATIONS  
INSPIRE CREATIVITY  
& CONTEMPLATION**

Drawing from the art and cultural overtones of Bendigo, The Schaller Studio is inspired by contemporary expressionist artist, Mark Schaller's working studio. Working fluently across a variety of art forms including sculpture, ceramics, and painting, the Melbourne based artist uses a bold array of abstract shapes and colours to capture his visual experiences and the local surroundings.

On the corner of Lucan and Bayne Street, Bendigo, The Schaller Studio is a hop away from the CBD precinct. Start your day at The Pantry offering locally sourced produce.

The Schaller Studio boasts 128 Workspaces (rooms), and combines essential comforts with the latest in technology. With massive, edgy communal spaces, rooms and landscaped gardens, guests can immerse themselves in the creative process.
